## New Proposal for Workshops

Due to the need for breaks for both students and faculty, it is proposed that we have only one workshop per month. But some workshops are needed by the students to improve their presentation skills. Hence only the below mentioned five workshops are going to be held this semester.

- 1 Model Making (Physical using different materials)
- 2 3-D Model Making
- 3 Space Frame + Truss
- 4 Wood working and Carpentry
- 5 Photography

Thus the dates are going to be:
